Application for Service - The Incline Village General Improvement District, is hereby requested to furnish the Applicant water and/or sewer service and facilities as detailed herein, and as may be ordered from time to time either verbally or in writing. It is understood that this application is made for service subject to the rates, charges, rules and regulations contained in Incline Village General Improvement District Water and Sewer Ordinances, **and policies and procedures** and subject also to modifications of same as may, from time to time, become legally effective. The **Incline Village General Improvement District** is hereby granted access to the premises upon which service is to be installed for the purpose of inspecting, repairing or removing the same. **Meter credits for upgrades shall only be applied to meters with less than 500,000 gallons of usage and returned by IVGID personnel to the billing office. Credits shall be applied to future water billing. Property owners are responsible for meter return to IVGID to obtain refund.**
